Dear Janine,

**RE: Donations of hats and Scrub suits for RMH Healthcare staff**

In this time of uncertainty and difficulty, we truly appreciate your generosity to help us out.

As Healthcare workers we are committed to and have taken oaths to deliver our service and provide care to our community amidst this pandemic.

Having these hats and scrubs would greatly assist us in ensuring that our staff are in scrubs and not in their own personal clothing whilst performing clinical duties. This will be reassuring to our community.

Again thank you so much for your contribution and we will endeavour to do our best with your support.

Sincerely,

Leah Blyth  
Subacute Services Senior Nurse Manager
